SENIOR SEMINAR

Senior Managerial Grid Seminar which began on 16 May concluded successfully on 21 May, 36 students having participated. The program progressed without any unfortunate incidents, and it is our feeling that the Seminar was quite successful. Arrangements have been made to hold another Senior Seminar during the period 17 - 22 October.

CT SUPPORT COURSE

Conversations were held on 24 May regarding the management training to be included in the CT Support Course at the end of October. Our present intention is to give these trainees the Managerial Grid along with supplementary material. Details are yet to be worked out.
